ADVICE SHEET 15

Do you clench or grind your teeth?

Wearing and caring for your night guard.

WEARING IT

- Wear the guard every night, or as instructed at the practice.
- Some discomfort the first nights is normal.

CARE

- Rinse it in cold water and brush it with mild soap every morning.
- Store it dry in its case, away from heat and pets.

FOLLOW-UP

- Bring it to each check-up so we can check its fit and wear.
